JUDICIAL DEPARTMENT.

8th August 1878, No. 1589.

Houses for Officers.

Read the following paper:—

No. 27. *From Nawâb NAZMUT DOWLA RUSTUMJAH DÁVUDALLY KHAN BAHADUR INTEZAM JUNG, to the Collector of the Kistna District, dated Muslipatam,* 10*th June* 1878.

The heavy debts which I was compelled to contract owing to the insufficiency of the reduced pension granted by the Government to me since my father's death, which occurred in the year 1853, for the support of myself and my family and dependents, and my consequent great embarrassments and difficulties and distressed circumstances occasioned by the pressing demands and proceedings of my creditors for the liquidation of the amounts of their respective claims have become so notorious that they have been well known to you since your arrival at this place.

2. I regret that any appeal to the Government, who have been my ancestral protectors and benefactors, for the restoration of the one-third of my father's pension which was reduced by the Government since my father's demise to enable me to liquidate my debts, uphold my credit, and carry on a decent support of myself and my family and dependents has, unfortunately for me, failed to draw that compassionate, indulgent, and liberal consideration of the Government which was always shown to my predecessors. Consequently I find no other means for the liquidation of my debts except by the sale of my property both movable and immovable. My utmost anxiety to discharge my debts and uphold my credit has brought me to the final determination to sell my property for the satisfaction of the debts, and I am prepared to sell at first my valuable garden, upstair bungalow, situtated close to your office, which you have now occupied at the monthly rent of Rupees 100.

3. You know well that this upstair bungalow is the best one at this place and is a most commodious and comfortably large and convenient one, having the benefit of sea breeze and having several useful out-houses and is fit by all means for the residence of the Collector, and that it has been always occupied by your predecessors for a great many years at the monthly rent of Rupees 100. The money for which my father purchased this bungalow in its simple situation and bad state with no out-houses and with no upstair house and the large sum of money which he afterwards laid out in renewing the bungalow with new walls and roof and in building the upstair house and out-houses and in making other additions and improvements to the same amounted to more than Rupees 20,000 independent of the heavy costs which I incurred in the year 1865 for the execution of those thorough repairs to the bungalow and out-houses which the late cyclone that occurred in the year 1864 rendered indispensably necessary and in rebuilding the stables and the small swimming bath bungalow which were thrown down by the cyclone.

4. Mr. Dowdeswell, who, when Civil Judge here, occupied this bungalow for nine years continuously at the rent of Rupees 100 per month, offered to buy the bungalow for Rupees 20,000 at the time of his quitting this district for Europe if my father would like to sell it, but my father did not wish to part with it as it has been always fetching a monthly income of Rupees 100 and as he had no pressing necessity to sell it.

5. I now beg to inform you that this upstair-house bungalow together with the cocoa garden situated at Chinna Gullapallem in the purgunnah of Kruttevennu was

mortgaged by me to Manjaty Mullikarjanudu, one of my creditors, in the bond which, about nine years ago, I executed to him for the loan of Rupees 16,000, which with its accumulated interest now amounts to Rupees 16,000. Besides this debt, I owe him another sum of Rupees 10,000, being the balance of the principal of a bond executed by me to him in the year 1875 for the amount of the accumulated interest upon certain sums of money which I borrowed of him. This sum together with its accumulated interest at Rupees 2 per cent. per mouth according to a condition of the bond and according to the final decree of the High Court now amounts to Rupees 16,000. These two sums make a total debt of about Rupees 32,000. To discharge this debt I am compelled to sell my abovem-entioned upstair-house bungalow now occupied by you and my cocoa garden at Chinna Gollapallem, as the above-named creditor is much pressing in his demand for the satisfaction of the debt. Under the present necessity I offer to sell my above-mentioned upstair-house bungalow to Government for Rupees 20,000, which is a reasonable price for it according to its income.

6. I therefore most humbly beg to request that you will have the kindness to bring my proposal to the indulgent consideration of the Government with your favorable recommendation, so that the Government may be pleased to purchase my above-mentioned upstair-house bungalow for the above-mentioned price for the purposes of Government to enable me to liquidate my debt to the above-mentioned mortgagee. For this act of kindness I will feel most thankful.

No. 1574.

Submitted for the consideration and orders of Government with reference to G.O., No. 1266, of 10th July 1874, Judicial Department, paragraphs 1 and 4. This house is known as the Collector's house, and, as the Náwab is compelled to sell to get rid of his debts, the opportunity is a favorable one for the acquisition of the property by Government.

Sir,

I have the honor with reference to your memo No. 2129 of the 18th ultimo, to report, that according to your instructions I applied to the Collector for information in regard to the Nawab's House at Masulipatam.

2. In reply the Collector has furnished me with Copies of Correspondence with the Military Secretary to His Grace the Governor, & with the Chief Secretary to Governm

3. It appears that under instructions from His Grace the Governor, a rough plan of the Ex-Nawab's House and a rough valuation statement were forwarded by the Collector to the Military Secretary on the 13th February 1880. The plan and valuation statement were prepared by Mr. C. M. Smith

Assistant Engineer who however has no Copies of these.

4. Further information as to existing accommodation was furnished by the Collector in a letter No. 742 of the 12th April /80 to the address of the Chief Secretary.

5. I have myself seen the Building which it is now proposed to purchase, it has been neglected of late, is not in good order, and will require a considerable amount to be spent on repairs.

6. If the rough valuation list is to be accepted as a basis of payment to the ex-Nawab, I shall feel obliged if the same can be obtained and forwarded to me with such instructions as you consider necessary.

7. In the meantime I will have a plan of the existing building prepared in order to estimate for such alterations and repairs as will be required to fit the building for use as a Court House.

In compliance with the H Ex's remark on my Office note of the 18th instant in reference to the proposed purchase of the Nawab's house at Masulipatam for the purposes of a District Court I beg to submit the only G.Os I can find concluding with No 1435 Judicial of 17th June 1880 but it is clear that these relate to another matter viz. the acquirement of the Nawab's house for the Collector's residence the purchase money for which Rs 20000 was paid on 24th March 1880 see para 3 of the Collector's letter printed with the proceedings

I may incidentally remark that to the best of my knowledge no settlement in the manner suggested in the Govt. Solicitor's letter also therewith recorded has as yet been made

The following questions remain therefore for decision

(1) Shall the house intended by the district court be valued by the Officer of the Dept.?

(2) Shall the Collector of the Western Division be called on to state whether the Nawab has accepted the settlt. as proposed by Govt. regarding the house purchased for the Collector's Residence and if so whether the balance then due on the purchase shall be paid him?

(3) Has proper conveyance of the property been made, and if not how is this to be arranged for?

2. Mr. Smith and myself after careful inspection consider that the building will afford sufficient accommodation for the District Court, the

the District Munsif's Court and the District Registrar's Office.

3. Besides the rooms shown in the plan there are godowns underneath which might be used for stores but are scarcely fit for anything else.

4. The present building is roughly valued at 30,000 Rupees: and the Cost of Conversion would probably not exceed 5,000 Rupees

To,
The Chief Secretary to Government

Ootacamund

Sir,

With reference to Official Memorandum No 634 March 19, 1880 I have the honor to reply that of the three buildings named, the District Court House alone is the property of Government and would fetch, if sold, Rupees 4000.

The present District Munsif's Court is rented for Rs. 25 a month.

The District Registrar has been hitherto temporarily occupying a room in in the Collector's Office: but as this was not convenient and the room was much wanted, he has moved to a Native house in the centre of the town rented at Rupees 10 per mensem.

I have the honor to be

Sir,
It is debited to Registration which is Provincial. There is no District account kept of Regn receipts. The receipts are included in the general receipts of approp. for general purposes including Registn. — 5/5/80

The Nawab of Masulipatam's House.

I put some questions to the Collr, on his letter to Holart, & we have now got it clear.

The house, as brick & mortar, is valued at 30,000 Rs; but as it will cost us 5000 to make it habitable for our purposes, we may offer 25,000.

When we get the house, we may place in it Judge, Munsif & Registrar.

We may make Regn pay 1/4th or say 6000; net cost then 19,000; we may also sell Judge's Ct for Rs 4000; net cost then 15000; deduct 6000 more as capitalized value of rent now paid for Munsif – leaves net cost at 9000.

I don't understand what this signifies in. Some time ago a house was offered to us for Rs. 20000 I think by the "Nawab of K" to the Govt.

Is this the same house tho' or. Why did we pay more than we were orig. asked to give.

Mr Carmichael is under some misapprehension about charging Rs in Prov. "R" is a Provincial service we have to provide all Civil Buildgs. from Prov. Funds. whether the service is Prov. or

My dear Sankey,

I was desired in last Council to remind you about the purchase of another House of the Nawab of Masulipatam for the District Court &c. for which about Rs. 30,000 will be required viz: Rs. 25,000 for purchase of House and Rs. 5,000 for repairs.

Could you provide the money from your reserve?

My dear Davidson,

In reply to your demi-official of the 10th instant, on the subject of the proposed purchase of the Masulipatam Nawab's house for the District Court, it is not improbable, so far as can be ascertained, that the sum of Rs 30000 could be spared from the Public Works Provincial Reserve, but I should have preferred not to give an
