GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

13th February 1880, No. 333 W.

General.
Account.

Read the following paper :—

No. 27. From Major-General A. FRASER, R.E., Secretary to the Government of India, Public Works Department, (Account—General,) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 28th January 1880, No. 46 A.—G.

With reference to your letter No. 32 W., dated 8th instant, representing the insufficiency of the grant for 1880-81 for Minor Military Works, I am directed to say that the Government of India regrets that the necessity for rigid curtailment of public expenditure will not, at present, admit of the allotment of additional funds for Military Works in Madras, unless for specified works the urgency of which has been represented to and admitted by the Government of India. I am, however, to add that, later in the year, an application for an additional grant will, if possible, be favorably considered, if the works for which the grant is required be specified and the necessity of each shown.

No. 28. ORDER THEREON, 13th February 1880, No. 333 W.

ORDERED to be recorded.

2. Ordered also that copy of the correspondence be forwarded to the Secretary of State for India for information.
