Letter from Military Department No. $\frac{1,508}{A}$, $\left(\frac{\text{Pensions}}{\text{Warrant Officers}}\right)$, dated 11th December.

Resolution.—As part of the measure of reduction of establishment to be carried out in the Public Works Department, the Government of India proposed certain terms on which Warrant and Non-Commissioned Officers of that Department might retire from the service, and the Secretary of State for India in Council has approved of the following :—

I.—Warrant and Non-Commissioned Officers may retire voluntarily, receiving—

(*a*)—The pensions due to them under the regulations, but not invalid pensions.

(*b*)—One month's substantive pay for each year's service in the Department up to a maximum of 12 months' pay.

II.—Warrant Officers must receive the gratuity in India, but Non-Commissioned Officers will only be paid it after their arrival in England or a Colony.

III.—Retirements under these regulations must take place on or before the 31st March 1880, and applications for permission to retire must be received by the Adjutant-General of the Presidency on or before 15th March.

2. Local Governments and Administrations, the Inspector-General of Military Works, and the Director-General of Railways may offer these terms to any Warrant and Non-Commissioned Officer whose resignation they may consider would be advantageous to the public service, but as a rule the offer should be made to no one under 40 years of age, and in no case can it be considered as an order to retire. This is not intended to preclude Warrant and Non-Commissioned Officers above that age from tendering their voluntary resignations, each of which will be considered by the Government of India (or of Madras and Bombay as the case may be) in the Public Works Department on its merits. The Government will exercise its right to refuse acceptance in all cases when that course may be deemed desirable.

ORDER.—Ordered, that this Resolution be communicated to the Local Governments and Administrations noted in the margin for information and guidance.
