PUBLIC WORKS DEPARTMENT.

20th February 1880, No. 395 W.

Civil Works.

Read the following paper :—

No. 47. From Major A. FILGATE, R.E., Officiating Deputy Secretary to the Government of India, Public Works Department, (Account-General,) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 12th February 1880, No. 63 A.—G.

With reference to previous correspondence on the subject, I am directed to state that the Government of India has decided to increase the allotment for the Madras Harbour Works, for 1880-81, from 7 to 12 lakhs, and to request that a budget estimate working up to this sum may be prepared and submitted to this office with the least possible delay.

2. I am to say that both this addition of 5 lakhs and that of Rs. 1,90,000 sanctioned for 1879-80 are assigned from Ordinary Imperial Funds, on the understanding that interest will be paid upon these amounts as if they had been granted as part of the Productive Public Works allotment, and that the Government of Madras will undertake that there shall be no obstacle to the legislation required to secure for the Public Treasury interest upon the whole capital cost of the work as already agreed upon.

No. 48. ORDER THEREON, 20th February 1880, No. 395 W.

COMMUNICATED to the Superintendent, Madras Harbour Works, in continuation of G.O., No. 96 W., of the 15th January 1880; and to the Financial Department.
