Read the following papers :—

No. 3. Endorsement of the Superintending Engineer, Fourth Circle, dated Coimbatore, 8th November 1879, No. 688.

From W. H. COMYN, Esq., Collector of South Canara, to the Superintending Engineer, Fourth Circle, dated Mangalore, 30th October 1879, No. 1,959.

In forwarding the accompanying copy of Board's Proceedings, dated the 9th instant, No. 2,865, together with its enclosures (in original), I have the honor to request that you will be so good as to take the necessary measures for the execution of the work therein sanctioned at as early a date as practicable.

Submitted to the Chief Engineer, Public Works Department, for favor of orders.

One copy of Board's Proceedings, No. 2,865, dated 9th instant, with its original enclosures.
One Estimate of Rs. 1,100.
" Sketch plan.
" Detail estimate (to be obligingly returned).

2. The estimate in question, viz., for extending and improving the compound of Sea Custom-house at Mangalore, appears to be of an emergent nature, and the undersigned therefore has the honor to solicit the provision of allotment if the work is to be proceeded with at once.

3. The plan and estimate have been sanctioned by the Board of Revenue. *Vide* copy of their Proceedings enclosed.

Draft order, Public Works Department.

IN returning the papers as per margin, referred to me for report under endorsement No. 2,296, dated 29th ultimo, I have the honor to observe that the Sea Customs Revenue is carried to the credit of Imperial Funds, and the charges under that head are met from the same source. Any expenditure on account of the Sea Customs Department would therefore not form a legitimate charge against the Port Fund, and on this ground I respectfully submit that the proposed outlay for improving and extending the compound of the Sea Custom-house at Mangalore is not debitable to it.

No. 3-B. Endorsement of the Superintending Engineer, Fourth Circle, dated Coimbatore, 21st January 1880, No. 36.

From W. H. COMYN, Esq., Collector of South Canara, to the Superintending Engineer, Fourth Circle, dated Mangalore, 9th January 1880, No. 66.

IN reply to your letter of the 27th ultimo, No. 263 S.C., I have the honor to inform you that the work therein alluded to is one that should not be deferred, it being required for the protection of the Customs Revenue of the port. Unless therefore there are any insuperable difficulties in the way I would urge its being taken in hand and completed as soon as practicable.
