If Mr. Fox has not

it is practically  
impossible for him

Communicated  
to this office.

The following is  
recorded of him  
in the last quarterly  
report received from  
the Asst. Engineer  
5th Circle.

General remark  
by Executive Engineer  
Mysore.

As far as I can  
judge from short  
experience of Mr.  
Joy I think he  
is a fairly  
good subordinate  
but rather disposed  
to take things easy.

Mr. Joy entered  
the Dept in Jan.  
1855 and is now  
a sub Engineer 2nd  
grade with a total  
service of 25 years.

The following is  
recorded against  
him in the register  
of the office.

(1) Warned for  
dilatatory conduct  
Chimp. no. 10934  
6656  
dated 29th Oct. 1859,  
and G. P. no. 762 dated  
16th April 1860.

3) Concerned for  
personal services  
payment of work  
and expenses in  
connection with  
certain Police Build-  
ings in the Hollow  
District and the  
District Engineer  
Singapore - to which  
District Mr. Fox  
was in consequence  
of the above trans-  
ferred - requested  
to submit a

Special Monthly  
Report on his  
work and conduct.  
vide Lt. No. 996  
dated 19th May 1877.  
The District Engineer  
Singapore in his  
letter No. 1075 dated  
27th June 1877 sub-  
sequently reported  
favorably on Mr.  
Fox, and these  
special reports  
were consequently  
discontinued.

—  
Considering that  
he has risen to the  
grade of Sub Engineer

in the Department,  
it is reasonable  
to conclude that  
his character and  
qualifications during  
his service in the  
Dept. have been  
on the whole satis-  
factory.

Under the cir-  
cumstances it  
seems undesirable  
to attempt to enforce  
any pecuniary  
responsibility against  
Mr. Fox, even if  
such a course

72  
could be legally  
adopted, which  
appears questionable,  
as he has already  
retired from the  
service.
