No. 38. From Major A. FILGATE, R.E., Officiating Deputy Secretary to the Government of India, Public Works Department, (Account-General,) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 11th March 1880, No. 133 A.—G.

In supersession of the orders communicated in Public Works Department endorsement No. 323 A.—G., of the 2nd August 1879, I am directed to state, for the information of your Government, that under the orders issued in Public Works Circular No. II of 1880, the Capital Outlay on the Madras Harbour Works will be recorded as Imperial.

2. I am however to explain that the classification of the work as Imperial in no way affects the stipulation in paragraph 12 of Financial Department Resolution No. 2,649, of the 30th August 1878, by which the expenditure in England on account of this work is to be treated as a cash remittance to India.

3. I am to add that the receipts and working expenses of the Madras Harbour Works should be classed as Provincial, the Madras Government having accepted the financial responsibility of the undertaking, but the revenue transactions of all other Productive Public Works in Madras will continue to be treated as Imperial until such time as the new financial contract with the Local Government is completed.
