GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

5th April 1880, No. 858 W.

Buildings and Roads.
Civil Works.

Read the following papers :—

No. 14. Endorsement of the Under Secretary to Government, Revenue Department, dated Fort St. George, 17th March 1880.

Proceedings of the Board of Revenue, dated 13th March 1880, No. 360.

From G. McWATTERS, Esq., Acting Collector of Malabar, to the Secretary to the Board of Revenue, dated Areacode, 23rd February 1880, No. 474 C.

WITH reference to paragraph 5 of the Board's Proceedings, dated 28th January 1880, No. 152, I have the honor to inform you that the only irrigation works in this district are the Yennamakal and Veatil Dams, and, as these require constantly looking after and some professional skill, the Executive Engineer suggests that they should be left in charge of the Department of Public Works.

SUBMITTED to Government with reference to G.O., dated 3rd February 1880, No. 131.

2. From paragraph 18 of the Chief Engineer's memorandum, embodied in G.O., dated 3rd February 1880, No. 265 W., it would appear to be the intention to transfer the two dams in question to the Revenue Department. If any repairs requiring professional skill should be required at any time, the Public Works Department staff of the West Coast Division would probably be able to afford the requisite aid.

(True Copy and Extract.)

(Signed) C. A. GALTON,
Acting Secretary.

To the Secretary to Government, Revenue Department.

TRANSFERRED to the Public Works Department.

(Signed) LORNE A. CAMPBELL,
Under Secy. to Government.

No. 14-A.

No. 10 E.W.

Note by the Chief Engineer for Irrigation.

As the West Coast Division under paragraph 15 of G.O., No. 265 W., 3rd February 1880, remains unchanged except that the subordinate establishment has been reduced, there may be no objection to the Yennamakal and Veatil Dams being looked after as hitherto in the Public Works Department, pending a settlement of the question of the way in which the up-keep of minor irrigation works is to be provided for in the future. The note printed in Proceedings of Madras Government, No. 85 I., of the 17th February 1880, contemplated such an arrangement.

CHEPAUK,
30th March 1880.

(Signed) JOHN MULLINS, Col., R.E.,
Chief Engineer for Irrigation.

To the Chief Engineer, Public Works Department.

No. 15. ORDER THEREON, 5th April 1880, No. 858 W.

THE Government concur with the Chief Engineer for Irrigation, and direct that the dams in question be for the present retained in charge of the Public Works Department.

No. 360.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 13th March 1880.

Read the following letter from G. McWATTERS, Esq., Acting Collector of Malabar, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Areacode, 23rd February 1880, No. 474-C:—

With reference to paragraph 5 of the Board's Proceedings, dated 28th January 1880, No. 152, I have the honor to inform you that the only irrigation works in this district are the Yennamakkal and Veatil Dams; and, as these require constantly looking after and some professional skill, the Executive Engineer suggests that they should be left in charge of the Department of Public Works.

SUBMITTED to Government with reference to G.O., dated 3rd February 1880, No. 131.

2. From paragraph 18 of the Chief Engineer's Memorandum embodied in G.O., dated 3rd February 1880, No. 265-W, it would appear to be the intention to transfer the two dams in question to the Revenue Department. If any repairs requiring professional skill should be required at any time, the Department of Public Works staff of the West Coast Division would probably be able to afford the requisite aid.
