OFFICE NOTE

To E. J. *SHW*

*You can best refer
to the Hon. Mr. Munro
re: cut; I do not
suppose the operations
these workshops will be
appreciably affected
by the reductions in the
Department.*

*I don't exactly see
why the whole matter
should not be disposed
of in the Navigation branch,
except that in former years
it has been dealt with
in the general branch -*

To. W.

So far as I am aware

the Workshop at Doulton works
will have about as much
work to do in 1880-81 as in
recent years -

The sanction asked for is
I take it only a credit to
enable the Officer in charge
to execute the work to be
done, and the amount
spent will be in comparison
with such work, the ex-
penditure being adjusted
as the work is completed
I see therefore no objection to
the sanction being given
