PUBLIC WORKS DEPARTMENT.

8th April 1880, No. 907 W.

Read the following paper :—

No. 22. From F. N. THOROWGOOD, Esq., M. Inst. C.E., Superintendent, Madras Harbour Works, to the Secretary to Government, Public Works Department, dated Madras, 5th April 1880, No. 2 W.

I have the honor to address Government once more on the subject of Mr. Allen, Foreman Diver on these works, in continuation of my letter No. 63 W., on which G.O., No. 744 W., of March 20th, was passed.

2. Mr. Allen has performed his duties for four years in a most praise-worthy manner, and has taught nearly the present staff of divers their work most creditably. He has never been absent from work except for a few weeks on account of ill health. I need hardly say that four years' diving work in this climate is a severe tax on a man's powers.

3. It would be a great satisfaction to me if I might be allowed to grant Mr. Allen a bonus of Rs. 300 on his leaving these works, and I regret that I did not ask for it when last addressing Government on this subject.

4. I find that in nearly all the cases of special European labour being engaged on the Kurrachee Harbour Works, at the end of each man's service of three to five years a gratuity of from one to three months' pay was given by the Bombay Government on the Superintendent's recommendation. In the present case, although Mr. Allen himself with much deference raised the point, I must say that I think a gratuity is honestly and fairly earned.

5. If I had been aware that there was a precedent for such a request, I would have urged it on a previous occasion, but it was only two days ago that I learnt of the four or five similar cases at Kurrachee.

6. Trusting that the lateness of this application will not stand in the way of its approval by Government.

No. 23. Order thereon, 8th April 1880, No. 907 W.

The proposal to grant Mr. Allen a bonus of Rs. 300 on his leaving the Harbour Works is approved.
