No. 80. Endorsement of the Acting Under Secretary to Government, Financial Department, dated Ootacamund, 9th September 1880, No. 1,763.

Proceedings of the Board of Revenue, dated 7th August 1880, Miscellaneous No. 8,542.

From N. A. ROUPELL, Esq., Acting President, Local Fund Board, Nilgiris, to the Secretary to the Board of Revenue, dated Ootacamund, 15th July 1880, No. 30.

I HAVE the honor to enclose an extract from the Local Fund Engineer's letter, No. 47, dated 2nd June 1880, and to request you will be so good as to obtain the sanction of Government to transfer to this Board of the two small buildings at Coonoor which it is understood were constructed some years back for the accommodation of the Sappers who were then employed in the construction of the Coonoor Ghât.

2. The buildings referred to are required for the use of the office and store-room of the Overseer at Coonoor.

3. I may here mention that the buildings are not at present required by the Public Works Department, and Major Morant, R.E., the Executive Engineer, has no objection to the transfer.

From J. O'SHAUGHNESSY, Esq., C.E., Executive Engineer, Nilgiri Local Fund Board, to the President, Local Fund Board, Nilgiris, dated Ootacamund, 2nd June 1880, No. 47.

I HAVE the honor to report that there is no accommodation for the Overseer's stores and Office at Coonoor.

There are however two small buildings at Coonoor erected some time ago for the accommodation of Sappers who were employed on the construction of the Coonoor Ghât. These buildings would, with a little alteration, suit our purpose very well. They are no longer required by the Public Works Department, and I have ascertained from Major Morant, R.E., that he would not object to their transfer. I beg therefore to suggest that you will be good enough to apply to Government for the transfer of these buildings.

SUBMITTED to Government with the Board's recommendation that sanction be accorded for the transfer of the small buildings mentioned.
