GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

21st September 1880, No. 2,212-A W.

General.  
Establishment.

Read the following paper :—

No. 114-A. From J. W. RUNDALL, Superintendent of Works, Kistna, to the Chief Engineer and Secretary to Government, Public Works Department, dated Camp Western Delta Bank Canal, 10th September 1880, No. 1,135.

I HAVE the honor to state that I learn from the Executive Engineer, Western Division, that having requested the Collector, Kistna District, to withhold from the bonus payable to Mr. D. Carlier, retired Sub-Engineer, certain sums left unadjusted by him on his retirement, the Collector has, in his Proceedings, No. 1,792, of the 26th August, while temporarily withholding the sum requested, given Mr. Wybrow notice that the balance of the bonus will be paid over to Mr. Carlier unless he is directed not to do so either by Government or by a competent Court.

2. I therefore beg to forward a copy of Mr. Wybrow's letter on the subject, and to request favor of early orders.

3. The sum due by Mr. Carlier is made up of three items—

(a.) Workshop bills, balance Rs. 79-7-6. Mr. Carlier does not seem to dispute this; a part of his total debt was recovered from his salary; the above sum is the unadjusted balance.

(b.) The enclosed Statement (B) gives the details of these advances. Mr. Carlier is I think personally responsible for the whole of these advances, but I would give him the benefit of the doubt regarding the delivery of the baskets (item 7), and recommend that permission be given to write off the Rs. 20 as irrecoverable.

(c.) I consider Mr. Carlier should be held responsible for the sum shown in the accompanying Statement (C), viz., Rs. 1,340-11-10. Both while he was in the service and subsequent to his retirement Mr. Carlier has been repeatedly called on to give information which would enable either the materials or their value to be recovered, and has failed to do so. In February last Mr. Wybrow gave Mr. Carlier notice that his pension papers would not be forwarded pending the adjustment of this matter, but he was obliged to forward the pension application at the urgent call of the Examiner, Mr. Carlier's retirement being special.

4. As regards the bricks and part of the lime, it would appear very doubtful if the materials were ever delivered; as regards the stone, if delivered it has probably been used for other works. As every opportunity has been afforded to the late Sub-Engineer to explain matters, and as he has failed to do so, I request Government will be good enough to direct the recovery of the amount outstanding on account of materials as well as the other two items.

5. If this is authorised, the necessary orders of Government should reach the Collector before the 7th October. A copy of the Collector's Proceedings is also forwarded.

2 PUBLIC WORKS DEPARTMENT, 21st SEPTEMBER 1880, No. 2,212-A W.

No. 114-B. ORDER THEREON, 21st September 1880, No. 2,212-A W.

ORDERED that the following telegram be sent to the Collector of Kistna :—

"Withhold payment of balance of Mr. Carlier's bonus. Order follows."

2. Mr. Carlier should be informed that he must clear up the outstandings against him, or submit such explanations as will satisfy the Superintendent of Works of his non-liability.

3. The proposal that item 7 of Statement B for Rs. 20 should be written off as irrecoverable is approved.

*Mr. Carlier's Bonus.*—The Collector of Kistna directed to withhold payment of the balance of — till he clears up the outstandings against him in the Public Works Department.

12/232

Kistna Western Divisional Office  
Station Dugginalla  
6<sup>th</sup> September/80  
Sept. 9<sup>th</sup> -- 80

From

The Executive Engineer

In charge Kistna Western Division

To

The Superintendent of Works

Kistna

Sir

I have the honor to forward here-  
with copy of the Kistna Collector's Proceedings  
dated 26<sup>th</sup> August 1880, stating that, "after  
6 weeks from that date, he shall pay over to  
Mr. Carlier Retired Sub Engineer the sum of  
Rs 19/4-6-0 kept back out of the bonus of Rs  
3000, unless prevented by Government order  
or an injunction from a Civil Court," and  
to request you will be so good as to take such  
action as you may deem proper.

The circumstances of the case are as follows:  
When Mr. Carlier was ordered to retire under  
the India Government Resolution, the following  
items were standing against him in the  
Divisional accounts, for which the retired  
Sub Engineer is held responsible.

(a) The net amount of outstanding  
private debt due to the Bezpada  
Workshops after deduction of the  
Salary due in this Division Rs 79-7-6

(b) The amount of irreconcilable ad-  
vances made by Mr. Farlier as per  
statement Rs 79-7-6  
100-2-8

(c) The value of Materials collected  
by Mr. Farlier for some minor sluices  
in the Repalli Taluk Nizamabad  
Creek town-path &c but found defi-  
cient on actual inspection Rs 1340-11-10  
Total Rs 1620-6-0

With regard to item (a) Colonel Langley R.E.  
in his No. 1375 H.S. dated 3<sup>rd</sup> December 1879,  
instructed me to stop Mr. Farlier's pay and  
permit the same to be paid to him in  
adjustment of his private debt, which I did  
accordingly, but a balance of Rs 79-7-6 still  
remains unadjusted. This sum, I wrote to  
the Collector Kistna, to withhold from the  
bonus sanctioned for Mr. Farlier in G.O. No.  
248 dated 25<sup>th</sup> March/80 in obedience to the  
instructions contained in your predecessor's  
docket No. 163 H.S. dated 20<sup>th</sup> April 1880.

Item (b) I have laid the matter before  
you for orders in my letter No. 1148 dated  
23<sup>rd</sup> Ultimo but which letter was returned  
for revision and again despatched to you  
this day. Pending the settlement of these  
advances, I asked the Collector, to withhold  
the sum of Rs 200-2-8, from the bonus,  
agreeably to Mr. Hale's docket No. 1952 H.S.

dated 31<sup>st</sup> March/80.

As regards the last item marked (c) I beg  
to enclose a statement shewing the value of  
materials found deficient. The materials  
are said to have been collected in the year  
1877-78 for the construction of minor sluices,  
and other works in the Repalli Taluk and  
charged for in the accounts. But last year  
when I joined this Division, these materials  
were found short. When I wrote to the Collector  
to withhold a portion of his bonus to cover  
this deficiency, the value was at that time  
Rs 1634-11-10 of this amount however Rs  
237-12-0 has been recovered through Sub-  
Overseer P. Lutchmiah kaire and a further  
sum of Rs 56-4-0 will, I believe, be recovered  
through the same source so that the actual  
amount under this head is Rs 1340-11-10, for  
which Mr. Farlier is responsible.

1. This Office No. 597 dated  
31<sup>st</sup> October/79
2. " " No. 843 of 22<sup>nd</sup> Dec/79
3. " " No. 288 of 1<sup>st</sup> Feb/80
4. " " No. 229 of 3<sup>rd</sup> May/80
5. " " No. 577 of 16<sup>th</sup> March/80
6. " " No. 794 of 21<sup>st</sup> July/80
7. " " No. 738 of 21<sup>st</sup> March/80
8. " " No. 1158 of 21<sup>st</sup> August/80

Regarding this amount Mr. Farlier has  
been written to as marginally noted, but no  
explanation has yet been afforded by him.

I have &c &c

(Signed) G. D. Wybrow  
Executive Engineer.

Comd. M.

P.W.D.  
16 SEP 80  
No. 10

279-10-2  
1634-11-10  
1914-6-0

No. 1792 22128

Proceedings of the Collector of Kistna District, dated Masulipatam 26<sup>th</sup> August 1880. Despt 30-8-80

By G.O. No. 2480 of March 25-1880 a bonus of Rs 3,000 was sanctioned for payment by the Collector to Mr. D. Farber, on his retirement from the D.P.W.

2 Mr. Wybrox Executive Engineer Western Delta requested on April 12<sup>th</sup>, that of this, Rs 279-10-2 might be withheld as it was due by Mr. Farber to Government for "outstanding sums"

In a later letter Mr. Wybrox requested that a further sum of Rs 1634-11-10 might be deducted as "the materials costing that sum are found deficient on certain mining sluices and there is some difficulty in tracing them out."

3 These sums have accordingly been withheld, and the balance of the Rs 3,000 only viz 1025-10-0 has been paid to Mr. Farber.

4 This sum he has received under protest. He denies that any thing is due by him to Government, and claims the payment in full of his bonus.

5 I do not consider I am justified in withholding payment in the absence of any proof that these sums are due, and without distinct authority for doing so.

J

6 I shall therefore after six weeks  
from this date pay over to Mr. Carter the  
sum kept back. (No 1914-6-0) unless I am  
directed not to do so either by the Govern-  
ment, or by an injunction from a Civil  
Court.

No 1135

Supt of Works Office Kistna  
Camp Western Delta Bank Canal

10th September 1880  
Dated 11th 20/9

From

The Superintendent of Works  
Kistna

To

The Chief Engineer & Secretary to Government  
P. W. Department  
Madras.

Sir

I have the honor to state that I learn  
from the Executive Engineer Western Division  
that having requested the Collector Kistna District  
to withhold from the bonus payable to Mr. D. Farlier  
Retired Sub-Engineer certain sums left un-  
adjusted by him, on his retirement, the Collector  
has in his Proceedings No 1792 of the 26 August,  
while temporarily withholding the sum requested,  
given Mr. Wybrox notice that the balance of the  
bonus will be paid over to Mr. Farlier unless he  
is directed not to do so, either by Government,  
or by a competent court.

I therefore beg to forward a copy of Mr.  
Wybrox's letter on the subject, and to request  
the favor of early orders.

The sum due by Mr. Farlier is made  
up of 3 items.

(a) Workshop bills balance, Rs 79-7-6. Mr.  
Farlier does not seem to dispute this; a part

of his total debt was recovered from his salary, the above sum is the unadjusted balance.

(b) The enclosed statement (b) gives the details of these advances; Mr. Farlier is I think personally responsible for the whole of these advances, but I would give him the benefit of the doubt regarding the delivery of the baskets, (item 7) and recommend that permission be given to write off the Rs 20 as irrecoverable.

(c) I consider Mr. Farlier should be held responsible for the sum shown in the accompanying statement (c) Rs 1,340-11-10. Both, while he was in the service, and subsequent to his retirement, Mr. Farlier has been repeatedly called on to give information which would enable either the materials or their value to be recovered, and has failed to do so. In February last Mr. Gyrow gave Mr. Farlier notice that his Pension papers would not be forwarded, pending the adjustment of this matter, but he was obliged to forward the Pension Application at the urgent call of the Examiner, Mr. Farlier's retirement being special.

As regards the bricks and part of the lime, it would appear very doubtful if the materials were ever delivered; as regards the stone, if delivered it has probably been

used for other works. As every opportunity has been afforded to the late Sub-Engineer to explain matters, and as he has failed to do so, I request Government will be good enough to direct the recovery of the amount outstanding on account of materials, as well as the other two items.

5 If this is authorised, the necessary orders of Government should reach the collector before the 7<sup>th</sup> October. A copy of the collector's Proceedings is also forwarded.

I have the honor to be
