GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT. 2334

11th October 1880, No. 2,334 W.

Buildings and Roads.
Military Works.

Read the following paper :—

No. 44. From the Superintendent of Works, Presidency, to the Chief Engineer, Public Works Department, dated Chepauk, 2nd October 1880, No. 2,477.

I HAVE the honor to report that the Laboratory building in the Arsenal at Bangalore, which has been used as an Ordnance Store, has been vacated, and the Inspector-General of Ordnance states that the building is no longer required by the Ordnance Department.

2. An estimate of Rs. 970 for the repair of this building was forwarded to you with letter No. 1,347, dated 3rd July 1880, but it was suggested in paragraph 5 of letter No. 1,453, dated the 8th July, that such buildings as were not required for future use should not be repaired.

3. The Assistant Engineer at Bangalore recommends that the old Laboratory should now be demolished, and that the materials should be sold by auction. This course appears to be preferable to allowing the building to deteriorate further and fall down; and in accordance with paragraph 1,403 of the Code I request that I may have the orders of the Government.

No. 45. ORDER THEREON, 11th October 1880, No. 2,334 W.

THE proposal to demolish the old Laboratory and sell the materials for what they will fetch is approved.
