GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

13th October 1880, No. 2,359 W.

General.
Establishment.

Read the following papers:—

No. 52. From G. T. WALCH, Esq., Superintendent of Works, Kistna, to the Chief Engineer, Public Works Department, dated Dowlaisheram, 17th June 1880, No. 501 K.S.

I HAVE the honor to inform you that five lascars being wanted for the Superintendent of Works and the Western Division, Kistna, I, in accordance with the orders contained in G.O., No. 1,182 W., dated 21st April 1879, addressed the Superintending Engineers of 1st, 2nd, and 3rd Circles on the subject on the 20th May 1880. The Superintending Engineer, Third Circle, replies stating that although there are a few lascars turned out during the recent reductions it is unlikely that any of them would be willing to leave their country for the Kistna. No replies have yet been received from the other Superintending Engineers.

2. Under the above circumstances, I request you will be good enough to inform me whether I may fill up the vacancies without waiting any longer, and whether, in future, it will not be sufficient to wait two weeks after writing to the different Circles. Work is seriously hampered by the great delay which there now is in filling vacancies both temporary and permanent for lascars.

No. 52-A. From G. T. WALCH, Esq., Superintendent of Works, Godavari, to the Chief Engineer, Public Works Department, dated Dowlaisheram, 25th September 1880, No. 1,775.

I HAVE the honor to bring to your notice that a petty establishment lascar's post having become vacant in the Western Division, Godavari, I, in accordance with the ruling contained in G.O., No. 1,182 W., of the 21st April 1879, addressed the several Superintending Engineers and the Superintendent of Works, Buckingham Canal, and received replies from all that though there are some men thrown out of employment by the late reduction, none are willing to accept the appointment, and I therefore request permission to fill up the vacancy here.

2. In your memorandum, No. 1,599, dated 25th June 1880, to Superintendent of Works, Kistna, permission was granted to fill up vacancies of certain petty establishment lascars' posts in that district under somewhat similar circumstances.

3. I would ask your perusal of paragraph 2 of my No. 501 K.S. (as Superintendent of Works, Kistna,) 17th June 1880, and orders on the question there asked as to whether in all cases it will not be sufficient to wait *two weeks for replies*.

No. 53. ORDER THEREON, 13th October 1880, No. 2,359 W.

THE Superintendent of Works, Godavari, is authorised to fill up the vacancy in question, and in future cases of the same kind it will be sufficient for him and other officers to wait for two weeks as proposed in his letter No. 501 K.S., of 17th June 1880, before filling up a vacancy.
