GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

4th January 1881, No. 5.

Rampa Country.

Read the following paper:—

No. 4. From Brigadier-General L. BUCK, Commanding Troops in Rampa, to the Quartermaster-General, Fort St. George, dated Rajahmundry, 1st December 1880, No. 1349.

I have the honor to report that, agreeably to instructions contained in your telegram of 25th November 1880, Colonel Beatty has taken command of troops serving in Rampa from this date.

There are detachments as follows:—

	N.Adjts.	Havdrs.	Naigues.	Drms.	Privts.
At Wuddigudiem in Rékapalle	2	5	5	1	46
At Narsapatnam	2	4	4	1	34
At Chódavaram	2	4	4	1	41

the head-quarters of 36th Regiment remaining at Rajahmundry.

2. I have again applied to the Agent of Godáviri for the removal of the detachment from Chódavaram, where they are not required, and have not been called on to act for many months; the men would be healthier if stationed at Rajahmundry, and could march to Chódavaram, if required, in two days.

3. I have also written to Mr. Garstin, Agent for Vizagapatam, regarding the removal of the detachment from Narsapatnam to Rajahmundry as soon as possible. The Golgondah Hill Tracts appear perfectly quiet, and the detachment at Narsapatnam, having served for a long time in the hills, require better diet and treatment than can be had there, where there is only a Hospital Assistant.

4. It is presumed that the Base Hospital at Rajahmundry will become a regimental one, now that the men of one corps only are under treatment.

5. The Steamer *Wurda** that is at present under the orders of the Military might be transferred to the Department of Public Works; it would be always available at short notice to convey stores to Wuddigudiem as long as troops are stationed there.

No. 8829.

Forwarded for the information of Government. His Excellency the Commander-in-Chief considers that the detachments at Chódavaram and Narsapatnam should be withdrawn to Rajahmundry, as recommended by Brigadier-General Buck.

2. The Surgeon-General, Her Majesty's Forces, has been addressed on the subject of the hospital at Rajahmundry being a regimental one.
