Sir,

I regret to observe from the remarks in
the returned Packing Account of Public
Works Stores (Provincial Funds) shipped
per s.s. "Naicar-i-Hind" in November last,
that the Barometers arrived in a damaged
condition. - These Instruments were very
carefully packed in inner and outer cases,
and were placed under the special charge
of the Master of the Ship. I am therefore
inclined to think that the Cases must
have met with some rough usage in
landing, as I cannot account for the
damage in any other way.

I have the honor to be,

Sir,

Your obedient Servant.

Chief Engineer.
Madras.

A. H. Crombie Esq.
Director General of Stores.
