No. 93. Endorsement of the Under Secretary to Government, Financial Department, dated Fort St. George, 10th January 1881, No. 36.
Proceedings of the Board of Revenue, dated 26th November 1880, Miscellaneous No. 13,112.

Read the following letter from A. M. SAUNDERS, Esq., Agent and Manager, Madras Railway Company, to the Collector of Coimbatore, dated Madras, 6th October 1880, No. 3,732.

In reply to your endorsement, No. 10, dated the 15th ultimo, on G.O., No. 1,642, of the 27th August, on the subject of the travellers' bungalow at Pódanúr, I have the honor to inform you that, subject to the sanction of Government (Railway Branch), I shall be prepared to offer to rent this building from you at a price of, say, Rs. 25 per mensem.

2. I understand that a portion of it is let temporarily to an officer of the Railway for the sum of Rs. 15, and it appears to me therefore that Rs. 25 a-month for a permanent occupancy of the whole building would be fair and equitable, but I must ask that it be placed in thorough repair before it is handed over to us. Should this meet with your approval there would be no necessity for your employing any staff at the place.

3. I have already availed myself of the suggestion made in your No. 294 of the 2nd June, to the address of the Secretary to the Board of Revenue, and inserted an advertisement in the papers recommending travellers to make use of your Rest-house at Coimbatore.

No. 128.

SUBMITTED for the consideration and orders of Government.

2. The Executive Engineer estimates that it would take Rs. 660 to put the bungalow into thorough repair. If the Railway Company's offer be accepted this outlay would be recouped in little over two years. No establishment would be maintained by Government and a yearly rental of Rs. 300 would be secured. The Company will not buy it by private bargain and it is not probable that it would fetch much if sold by public auction, as much competition is not to be looked for. It is suggested that the bungalow be repaired at a cost of Rs. 660 and rented to the Railway Company for Rs. 25 a-month.

2. The Pódanúr bungalow was originally built from Imperial funds at a cost of Rs. 20,194. In 1876 it was transferred to the management of the Local Fund Board, Coimbatore. It was retransferred to Government in 1878, G.O., 2nd March 1878, No. 404. It has since remained with Government and it is now proposed to rent it.
