GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

25th April 1881, No. 1,075 W.

General.
Establishment.

Read the following paper :—

No. 84. From F. N. THOROWGOOD, Esq., M. INST. C.E., Superintendent, Madras Harbour Works, to the Secretary to Government, Public Works Department, dated Madras, 13th April 1881, No. 4 W.

ADVERTING to the G.Os., No. 1,829 W., of August 2nd, 1880, and No. 2,166 W., of September 15th, 1880, regarding the establishment connected with these works, I have the honor to report a further reduction by transfer to other work.

2. Draughtsman P. Loganathan Moodeliar was appointed to the staff of this office on 20th July 1875. His services can now be dispensed with, and he is offered an appointment under the Sanitary Commissioner of Madras. He was thirty years of age when he joined this office in 1875, and I now have the honor to ask that his age may not be an obstacle in the way of his retaining his post under the Sanitary Commissioner, where he has given satisfaction during a few days' trial.

3. The Sanitary Commissioner's Office has asked me whether the "twenty-five years of age order" applies to those who have served on the Madras Harbour Works, and I have stated that each individual case will be treated on its own merits.

4. I think that as Loganathan Moodeliar has served with satisfaction for nearly five years on this establishment, and has satisfied the office of the Sanitary Commissioner during the few days' trial he has had, the fact of his having been thirty years of age when appointed here should not count against his future advancement, and I would respectfully ask that this may receive the approval of Government.

No. 85. ORDER THEREON, 25th April 1881, No. 1,075 W.

UNDER the circumstances reported, Draughtsman P. Loganathan's entertainment on the permanent establishment is sanctioned, subject to the conditions prescribed in the Civil Pension Code in the case of men above twenty-five years old.
