Despatched 5th — do —

THE SUPERINTENDENT OF WORKS,

BUCKINGHAM CANAL,

To

THE CHIEF ENGINEER,

PUBLIC WORKS DEPARTMENT,

Madras.

SIR,

Enclosure. 2

I have the honor to inform you that the Canal Sub Division Officers and Overseers in the Northern part of the Canal have represented to me that they are greatly inconvenienced from having no permanent building for Office and Stores at their Head Quarters.

2. Taking into consideration the heavy storms to which the coast is liable I think that the work of building the Offices and Stores for the Canal should not be delayed, and I have therefore the honor to forward herewith the original design and

and Estimate for Offices and Stores
and to request sanction to the
construction of such an Office

at Kothapattanam,

" Ramapatnam,

" Myfand, and

" Surgrajpatnam.

3. The Overseers have
permanent buildings in which
their work can be done and tools
stored at Goramandal and Sadras
so that the provision of the four
now asked for will complete the
necessary accommodation for Officers
on the Canal.

I have the honor to be

Sir

Your most obedient servant

A. A. A. Captain R. E.
Superintendent of Works
