Read the following paper :—

No. 153. From T. SMITH, Esq., Officiating Postmaster-General, Madras, to the Secretary to Government, Public Works Department, dated Madras, 20th July 1878, No. A 2,819-520.

I HAVE the honor to forward a plan and estimate from the District Engineer, Chingleput District, for Rupees 1,000 for the construction of a 7th-class Post Office at Sattiavedu, also copy of my letter No. A 183-520, dated 22nd June 1878, to the Director-General of the Post Office of India, and of the reply thereto, No. 3,494, dated 9th July 1878, according sanction to the measure, and request that you will be so good as to move the Government to pass orders for the allotment of the necessary funds from the grant for Minor Works of the Postal Department in this circle for 1878-79, so that the work may be executed as early as possible.

Copy of a communication from the Postmaster-General, Madras, to the Director-General of the Post Office of India, dated 22nd June 1878, No. A 183-520.

I HAVE the honor to forward a plan and estimate for Rupees 1,000 for construction by the Public Works Department of a 7th-class Post Office at Sattiavedu, and request that you will be so good as to accord sanction to the measure.

The Post Office is now held in a thatched building which is not only unsuited for the purpose, but there is great risk from fire.

A tiled house suited for the purpose is not procurable on hire, and endeavor to induce house owners to erect one to be rented has also failed.

It is proposed to carry out this work in 1878-79 from the grant for Minor Works for the current year, and it is intended to arrange for the work being taken in hand as early as possible.

Copy of a communication from the Director-General of the Post Office of India, to the Postmaster-General, Madras, dated 9th July 1878, No. 3,494.

In returning the original plan and estimate received with your letter No. A 183-520, dated 22nd June 1878, I beg to sanction the sum of Rupees 1,000 for the construction of a 7th-class Post Office at Sattiavedu, the charge being debitable to Minor Works grant for the year 1878-79.

No. 154. ORDER THEREON, 12th August 1878, No. 3,226 W.

THE plan and estimate of Rupees 1,000 for constructing a Post Office at Sattiavedu in the Chingleput District are sanctioned, and funds appropriated from the Reserve under Postal.

2. This sanction has been registered as Imperial No. 63 B of 1878-79.
