Sir,

I have the honor to return herewith the bill for arrears of salary due to T. Sabapathy Moodelliar, Assistant Engineer, together with the last pay certificate received with your No 61 dated 30th November 1880, and with reference thereto, to state that as the claim now presented for audit is of a very old date, this Office is unable to admit such charges without the special sanction of Government, which should be obtained through the proper Channel.

The application for sanction should be accompanied with a full explanation as to why the charge was not brought forward for audit before.

Sir,

Acknowledging your letter dated 12th July 1878, requesting me to forward the pay due to 2nd class Hospital Assistant P. Sabapathy No. 814 amounting to Rs. 107-4-0, I have the honor to state that no pay could be drawn for this man as he has not produced a last pay Certificate. I request you will be good enough to call upon him to procure and forward to me the required Certificate when I will have what pay is due him passed by the Examiner of P. W. Accounts.

When his pay bill is audited as the nearest Madras Public Works Officer to French rocks is that of the District Engineer Bangalore I will be obliged to

give a transfer requisition to that officer
to pay the amount this will probably
be inconvenient for the Hospital Appren-
tice and he would perhaps prefer pay-
ing the discount on a money order if so
if he will write and say so to the Ac-
countant of my Office the latter
will have orders to do what is needful.
