Chief Engineer

REFERENCE TO MADRAS P. W. CODE.
CHAPTER IX.—PARA. 1137.

Encl. No. 2 of 38th April 1881.

In G.O. No. 913 of 4th April and 922 of 6th April 1881 the Government direct that the work may be undertaken from the budget grant for the Buckingham Canal, but if this cannot be done under the circumstances explained by the Superintendent of Works, the amount applied for may if the Government choose be granted from the reserve with Government under Provincial Original Works Civil Buildings.
