Public Works

Sir,

a Public Works Letter from the Government of Madras to the Secretary of State in Council, No. 12, dated the 8th March last, respecting a memorial from S. Padmanabha Iyer, late an accountant in the Madras Public Works Department, has been received in this Office.

The enclosures to this Letter are not, however, complete, as although the proceedings of the Government of Madras regarding the petitioner's case accompany the letter the actual memorial from the petitioner to the Secretary of State is not enclosed.

I have to request, therefore, that the omission may be rectified.

I have the honour to be,

Sir,

Your obedient servant,

John D. Dwyer

Secretary
Public Works Dep.

The Secretary, Public Works Dept.,
Government of Madras.

The above is
Mr Roberts' explanation
of his omission to
send forward the
Memorial with the
other papers. That it
was an oversight on
his part is clear.
He is a clerk who
tries to do his duty
generally: and I
brought him up to
Otago and his
year with special
reference to his
willingness to work.
