GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

26th April 1881, No. 2292.

Military Buildings.

Read the following paper :—

No. 257. From Brigadier-General H. O'CONNELL, Quartermaster-General, to Colonel E. L. HANKIN, Acting Secretary to Government, Military Department; dated Ootacamund, 16th April 1881, No. 389.

I have the honor, by order, to bring to notice that several buildings at Arcot, at present borne on Military Returns, have long been otherwise appropriated, and are not likely to be again required for military purposes. It is requested, therefore, that the sanction of Government be granted for striking off from Military Returns the following buildings at Arcot :—

- No. 1. *General's Bungalow*.—Occupied by Head Assistant Collector.—Proceedings of Government, No. 1523, dated 23rd August 1864.
- No. 2. *Post Office*.—Occupied as an office by the Head Assistant Collector.—Proceedings of Government, No. 1523, dated 23rd August 1864.
- No. 3. *Store-room attached to old European Barracks*.—Handed over to Department Public Works.—Proceedings of Government, No. 3072, dated 17th September 1873.
- N.B.—The store-room only to be struck off the returns. The barracks to be retained, see para. 2.
- No. 4. *European Hospital*.—Occupied as a Civil Dispensary.—Proceedings of Government, No. 937 and 294, dated 15th March 1867 and 13th August 1869.
- No. 5. *Standard Guard-room*.—Occupied as a Police Station.
- No. 7. *Native Hospital*.—Occupied as an office, Department Public Works, since February 1870.
- No. 8. *Granary Godown*.—Attached to the Civil Dispensary.
- No. 10. *Arrack Godown*.—Attached to the Civil Dispensary.—Proceedings of Government, No. 294, dated 13th August 1869.
- No. 11. *Two Solitary Cells*.—Attached to the Civil Dispensary and razed to the ground by Dr. Scudder.
- No. 12. *Lock Hospital*.—Occupied as an Industrial School.—Proceedings of Government, No. 1638, dated 17th May 1872.

2. The following buildings at Arcot it is proposed to retain. They are not at present required for military purposes, but it would be a pity to destroy them, and they will be available in case of a sudden demand for temporary accommodation :—

- No. 3. *European Barracks*.—With the exception of one store-room, which has been handed over to the Department Public Works, see para. 1.
- No. 6. *Native Cavalry Barracks*.—These are often occupied by some of the families of Native Infantry regiments serving out of the Presidency.
- No. 9. *Powder Magazine*.

3. There are certain buildings in the fort at Vellore which are at present occupied by civil officers, &c., but as the fort of Vellore and all the buildings in it are to be handed over to the military, it will be as well to retain all these buildings on Military Returns.

2 MILITARY DEPARTMENT, 26TH APRIL 1881, No. 2292.

No. 258. ORDER THEREON, 26th April 1881, No. 2292.
