Civil Works.

Read the following paper:—

No. 14. From Surgeon-General W. R. CORNISH, F.R.C.S., C.I.E., Surgeon-General with the Government of Madras, to the Secretary to Government, Public Works Department, dated Fort St. George, 11th May 1881, No. 186.

THE Bullet Factory being urgently required for use by the Ordnance Department, the Superintendent, Auxiliary Medical School, put himself in communication with the Government Architect for information as to when the extension sanctioned in G.O., No. 742, dated 17th March 1881, will be commenced, and when it is likely to be finished. Mr. Chisholm has replied to the effect that the extension, though sanctioned, "cannot be commenced until funds are allotted." I have therefore the honor to request the favor of information as to whether funds can be allotted by Government to complete the building by October next, in which month the Session for 1881-82 commences, or whether it will be necessary to continue still further to occupy the Bullet Factory though urgently required by the Ordnance Department.

2. It is observed by paragraph 2 of the Government Order quoted that funds "will be appropriated early in April 1881 from the Provincial Reserve of 1881-82."

No. 15. ORDER THEREON, 14th May 1881, No. 1,213 W.

WITH reference to paragraph 2 of G.O., No. 742 W., dated 17th March 1881, a sum of Rs. 5,000 is allotted from the Provincial Reserve of 1881-82 for the construction of the Monegar Choultry Medical School. The balance, Rs. 5,426, will be allotted later in the year.
