Supp. Engineer's Office, II Circle
Camp Coy., 3rd May 1881.

From,

The Superintending Engineer
2nd Circle.

To,

The Chief Engineer
P. W. D. Madras.

Sir,

I have the honor to forward
Enclosures 3
1 Application with
2 Certificates. An Application for 6 Weeks Privilege
leave from the 21st April 1881 received
this day from Mr. Pringle Executive
Engineer West Coast Division together
with a Medical Certificate recommend-
ing it.

2. I have to report that this Officer
came to Ootacamund on or about the
1st April /81 but his state of health
was such that he was unable to make
any inspections and I believe do but
little

little office work. He told me that he wished to take leave and I strongly recommended his doing so and on the 15th of April/81 I directed him to go to Calicut the Head Quarters of the Division and hand over charge to Mr. Traill Assistant Engineer.

3. On the 19th of April/81 he sent a Medical Certificate that it was not + enclosed. advisable for him to go to Calicut and requested permission to be allowed to stop at Ootacamund. I replied that I could not allow this as his Office work was much in arrears and the yearly returns due and also that it was necessary that he should hand over charge of the Division at Head Quarters but of course should he not

not be able to do so he should forward a Medical Certificate to that effect and that Mr. Traill should take charge under para 1380 of the Code, and that he should send to that officer all papers &c &c that he had with him.

4. This has been done and I request that Mr. Pringle may be considered to have been retired on the morning of the 21st of April and Mr. Traill Assistant Engineer to have taken charge of the Division from that day and I request further that he may be Gazetted as Officiating Executive Engineer in order that he may draw extra Allowances for being in charge of the Division as this change puts him to extra expenses and adds to his responsibilities I trust this may be granted

granted.

5.

Of course I can give no opinion whether Mr. Pringle will be able to return to his duty at the expiration of his 6 weeks leave but I would strongly recommend that he should not return to the West Coast Division his management of which has not been a success.

I have the honor to be,
Sir,

Your Most Obedt. Servant.
