Sir

Encls: One
Estimate

I have the honor to forward
herewith, an estimate for extra office es-
tablishment required for this District.
2. As extra writers have been given
for my own Office & for each of the Divisions,
it is unnecessary to apply for as many
extra men as were sanctioned for the cur-
rent year.

3. I ask therefore only for an addi-
tional accountant for the Eastern Di-
vision, for 1 clerk for the Northern and
Southern Sub Divisions of the Eastern,
for the Western Sub Division of the Western
Division.

4. The extra accountant sanctioned
in Dy. Order 1637 of the 13th July is still re-
quired, as the arrears of P. & R. Register
have not been fully worked off on ex-

account of the numerous transactions
in this Division under Carriers, Horse
Shops, Boat accounts, &c. I think a
second accountant is still necessary,
and trust that sanction may be given
for the 5th grade accountant lately
employed.

5th The reasons given in my letter
of the 30th of the 30th of November for the employ-
ment of an extra clerk in the Subdivi-
sion still apply with equal force. one
writer is not able to do the work of these
Sub Division officers. I trust the extra
men asked for may be sanctioned.

I have the honor to be

Yours most obedt. Servant
