RECD.

MR. PAUL'S APPOINTMENT AS
ASST. CHIEF ENGINEER FOR IRRIGA-
TION.

The undersigned
considers that the original
decision should be ad-
hered to, but there was
undoubtedly an error
in the wording of G. O.
No. 2871 W of 13th December
1880, which should have
run
"the pay and allowances
of an officiating executive
engineer" instead of
"the pay and allowances
of an executive engineer
4th grade".

PUBLIC WORKS DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Under date the 17th Jan'y 1881
Read the following:—

From the Exec. P. & A. Accts (H.C. No. 174 of 22nd Decr 80)

As pointed out by
the Examiner P. & A.
Accounts there is an
~~error~~ error in the
working of H.C. 237/8
dated 13th December 1880,
which is based on
para 3 of H.C. 49/8,
dated 3rd March 1880.
In accordance with
the last mentioned
order Mr. Paul is
only entitled to "the
pay and allowances
of an officiating
Executive Engineer".

R.S.

Government of India,
No 1429 G of the 23rd July
is put up for reference;
the practice therein en-
joined has been followed
in this Presidency for some
years, and the grant to the
Assistant to the Chief
Engineer for Irrigation
of the rank of Executive
Engineer if he happens
to be an Assistant Exec.
can hardly be considered
as a "special salary" in
the sense of the Govt. of
India's letter.

3 In fact the last sen-
tence of the letter implies
that the junior officers in the
Secretariat will always
be held by Executive
Engineers.

Lepl. Secy.

P.W.D.

Decr 80.
H.C. 49/8
H.C. 1.81. No 125

2. Mr. Paul's pay and
allowances will be
regulated accordingly
for the period during
which he held the
post of Assistant
Chief Engineer for Irrig-
ation and Canals
a Secretary of Government,
Irrigation Branch.

3. As regards para 1
of the Escamier's letter
it is remarked that
the grant to the Assistant
to the Chief Engineer for
Irrigation of the rank
of Executive Engineer,
if he happens to be
an Assistant Engineer,

cannot be considered
as a "special salary"
in the sense of the
letter from the Govt.
of India of the 23rd
July 1880 L. 1427 S.

The last sentence of
the letter implies that
the junior offices in
the Secretariat shall
always be held by
Executive Engineers.

4. In reference to
the objection raised
in para 2 it is
considered that
there is nothing to
prevent an officiating
appointment being
made

made in Mr. Vincent's
place any more than
in the case of an officer
going on privilege
leave.
