Supg. Engineer's Office, 2nd Circle
Camp Colacamund, 5th May 1881.

From,

The Superintending Engineer
2nd Circle.

To,

The Chief Engineer
P.W.D. Madras.

Sir,

Enclosures
1 sketch

With reference to G. O. No. 1091
dated 22nd March 80 regarding the old
Deputy Jailbars Cutchery at Tiruppur
I have the honor to enclose a sketch
of the building (to be returned) and
to report that the subjail portion
of the building which is in fair
order is now in the occupation of the
Police as a station house and for this
purpose it is well adapted.

2. The other portion of the building is in very bad order a portion of the roof has fallen in, it is not required by any Government Department and it should I consider be demolished the Cost of this will be Rs 120 but as a sum of about 250 Can be obtained from the old materials, if this is done there will be small Amount Credited to Government.

3. I request under G.O. No 157W dated 29th May 1877 permission for the sub Jail portion of the building to be formally handed over to the Police for use as a Police Station and for the remainder of the building to be demolished the Cost

Cost of which will be met by
the sum realized by the sale
of the old materials.

I have the honor to be,
Sir,

Your most O^bl. Servant.
