From

The Executive Engineer,

South Arcot Division.

To

The Superintending Engineer,

3rd Circle.

Sir,

ENCLOSURES.

In the Provincial Service Budget Estimate of the year 1881-82 provision is made for a clerk for each Overseer; I consider that this provision includes writers under all Overseers in this Division, that is, including Serjeant Reader R. S., Mr. Johannes and Ramachandra Sastri, posted since December last, if so special provision for office establishment for these Overseers is not necessary; if otherwise allotment to the following extent is required for 1881-82

3 clerks at 15 Rs each for 12 months	Rs 540
5 lascars at 6 Rs each for 12 months	Rs 360
	Total Rs 900.

2. The above is the establishment sanctioned in G.O. Nos 148 W of 18th January 1881 and 373 W of 10th February 1881. In the first of the G.O. 4 lascars at 6 Rs each were sanctioned for the 2 Overseers Mr. Johannes and Ramachandra Sastri,

while only one was sanctioned for Serjeant Reader in the latter G.O.; and the same numbers have been accordingly employed. The retention of the 3 overseers being absolutely necessary for proceeding vigorously with the emergent and other works, their office establishment and lascars are indispensable.

3. In G.O. No 150 W. of 19th January 1881 a temporary office establishment at a cost of Rs 3⁰⁰ that is one Draftsman at 30 Rs and 2 clerks at 15 Rs each was sanctioned for 3 months for the Chidambaram sub-division, of this only Rs 50 have been utilized in 1880-81, the balance Rs 250 should be allotted for the current year.

4. Lieutenant L Langley R.E. Assistant Engineer was relieved from this division on the 28th March 1881, a sum of Rs 30 due to his office establishment up to that date, as noted below, requires

Sanction:-

1. Writer from 1st to 28th March 1881
at Rs 20 ————— Rs 18-1-11
1. Lascar for 2 days at 6 Rs ————— Rs 12-6-2
1. Lascar for 25 days at 6 Rs ————— Rs 150-13-5
2 do for 17 days each at 6 Rs ————— Rs 102-9-4
Total Rs 29-13-11

Sir,

In forwarding the enclosed letter for your information and obliging return, I have the honor to inform you that I have intimated to the Executive Engineer that the Establishment required for the extra Upper Subordinates should be considered temporary as the Subordinates were only ordered to this Circle as a temporary measure for certain emergent works.
