Read the following paper :—

From J. GROSE, Esq., Collector of Nellore, to the Chief Secretary to Government, dated 27th April 1881, No. 1334 [Current No. 102].

With reference to G.O., No. 143, dated 21st January 1857, I have the honor to submit my report on the Christian Burial Grounds in the district for 1880.

2. The only places in the district where cemeteries are maintained are Nellore and Ongole.

3. The General Cemetery at Nellore was inspected by Mr. Andrew, my Assistant, and is reported to be in good condition.

4. The five cemeteries at Ongole were inspected by Mr. Hardinge, the Acting Sub-Collector. From his report, it appears that the European Protestant Christian Burial Ground is well maintained, but that the surrounding walls want plastering and in one place require substantial repairs.

5. The Roman Catholic Burial Ground for European and Native Christians is in good order. The Sub-Collector proposed a surrounding wall to this, and submitted an estimate. This will be attended to soon. Some of the tombs appear to be in need of repairs.

6. The American Baptist Mission Cemetery is reported to be in good condition. Three of its surrounding walls have been completed, and the fourth is fast approaching completion.

7. The three spots of grounds belonging to the American Mission, which were formerly used for the burial of some Native Christians, are not now in use, and may be omitted from future reports.

8. The estimates furnished to me by the Superintending Engineer for the repairs of the isolated tombs at Rámapatnam and Singarayacōnda, referred to in paragraph 2 of G.O., No. 219, dated 30th October 1880, have been submitted to Government for sanction.

Letter, No. 1220, dated 15th April 1881.

ORDER THEREON, 10th May 1881, No. 75.
