

GOVERNMENT OF MADRAS.
JUDICIAL DEPARTMENT.

7th May 1881, No. 898.

Jails—Her Majesty's Penitentiary.

Read the following papers:—

From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 21st April 1881, No. 1474 [Current No. 1263].

Presidency Audit Department.

With reference to G.O., No. 631, Judicial, dated the 28th March 1881, I have the honor to state that the Superintendent of Prisons, Madras, submitted for payment, on 13th April 1881, an abstract bill for Rs. 3,000, being a portion of the amount sanctioned in the above order towards extending the water-supply of the Madras Penitentiary. As the allotment in G.O., No. 2308, dated 8th December 1879, Financial, from which it was intended to meet this charge, lapsed on the 31st March 1881, it cannot be met from that grant. I request, therefore, that Government will be pleased to issue further orders as to the source from which the amount is to be met. I have in the mean time paid the amount to the Superintendent.

No. 795.

Referred to the Inspector-General of Jails who will, at an early date, specify any other source from which the expenditure may be met on account of the extension of the water-supply to the Penitentiary.

(By Order.)

(Signed) O. WOLFE-MURRAY,
Acting Assistant Secretary.

29th April 1881.

From Lieutenant-Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Secretary to Government, dated Ootacamund, 2nd May 1881, No. 78 [Current No. 1361].

With reference to your endorsement, No. 795, dated 29th ultimo, on a letter from the Accountant-General to the Government of Madras, I have the honor to report that the amount of the revised estimate, viz., Rs. 4,307, can be met from the grant assigned to this department for the year 1881-82 under the head "Additions and Alterations."

ORDER THEREON, 7th May 1881, No. 898.

In supersession of the instruction contained in G.O., 28th March 1881, No. 631, it is directed that the revised estimate (Rs. 4,307) for the extension of the water-supply to the Penitentiary be met from the source indicated by the Inspector-General in his letter of the 2nd May, No. 78.
