GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

21st May 1881, No. 1,299 W.

Buildings and Roads.
Military Works.

Read the following paper :—

No. 39. From Brigadier-General H. O'CONNELL, Quartermaster-General, to the Secretary to Government, Public Works Department, dated Ootacamund, 6th May 1881, No. 510.

In forwarding the enclosed letter from the General Officer, Commanding Mysore Division, I have the honor, by order, to request that the sum of Rs. 807 may be granted to the Officer Commanding B. Battery, B. Brigade, Royal Horse Artillery, at Bangalore for the purchase of gravel, &c., for renewing the pickets of the horses of his Battery. The work of laying down the gravel will be carried out under Battery arrangements.

From Major-General W. PAYN, C.B., Commanding Mysore Division, to the Quartermaster-General, dated Ootacamund, 2nd May 1881, No. 238.

REFERRING to the Order of Government in the Public Works Department as per margin received under your memorandum, No. 1,469, No. 342 W., of 8th February 1881, dated 23rd February 1881, I have the honor to request that the sanction of Government may be obtained to the payment by the Public Works Department of the amount (Rs. 807) of estimated cost of the gravel, &c., to the Officer Commanding B. Battery, B. Brigade, Royal Horse Artillery, who is now prepared to supply the material and lay it down under Battery arrangements.

The estimate of cost made by the Officer Commanding B. Battery, B. Brigade, Royal Horse Artillery, to which I referred in the 2nd paragraph of my letter, No. 33, of 20th January 1881, republished in the Proceedings of Government under notice, included, as now explained, a large sum for labor, which not being distinctly shown led me to consider the estimate an excessively high one as compared with that of the Assistant Engineer which was for material alone.

I consider it would be much more satisfactory if the whole of the work including the supply of the material was carried out by the Officer Commanding the Battery on this occasion as it was in the case of the K/6, Royal Artillery, some time back (*vide* G.O., No. 2,016, dated 30th March 1880.) and I trust therefore that Government will give its sanction to the proposal.

No. 40. ORDER THEREON, 21st May 1881, No. 1,299 W.

THE amount required, Rs. 807, is appropriated from the Reserve under Military Repairs, and will be paid by the Assistant Engineer at Bangalore to the Officer Commanding B. Battery, B. Brigade, Royal Horse Artillery, in view to the work being carried out under Battery arrangements.
