Sir,

Madras.

Some huts were built near the Police lines at Kurnool in 1877 for the detachment of the 21st Regiment R. which was temporarily stationed there, during the famine. The Superintending Engineer of Police asks for the transfer of the huts to his Department, in order that he may use the materials in repairing his Police lines.

2. The huts have served their purpose. They are rapidly falling to pieces, and the Collector approves of their transfer to the Police Department.

3. I have the honour to recommend that authority may be given for handing

over the huts to the Superintendent
of Police.
