No. 2858.

The effect of this will be to reduce Mr. Vincent's salary to that of an Assistant Eng^r 1st grade, and his appointment of Officiating Executive Engineer will have to be cancelled.

But there is nothing to prevent the post appointing a permanent Executive Engineer to the post, or promoting Mr. Vincent to permanent rank within the sanctioned scale.

With reference
to the H. M.'s remarks
I think it is clear
from the tenor of
his as well as the
former letter from
the Govt of India that
their intention is
that no officiating
promotion should
be given simply
because an officer
is appointed as
Under Secretary. It
is optional with
his Govt however
to appoint either
an Assistant or an
Executive Engineer.

Office note

To S.W.

Colonel Mullins has suggested that Mr Vincent should now be confirmed as Asst. C. & J. and Under Secy. to Gov. Inst. Branch.

Mr Vincent brings to notice that when he was first appointed A. C. & J. in Nov. 179 he was regarded as Offg. Exec. Engineer 4th class and that he is informed by the Ex^t. P.W.A. that he must be regarded as Offg. Exec. Engineer 5th to entitle him to receive the same pay as he was in receipt of before.

I may self see no
reason why de Vincent
should not be forgotten
permanently to the extent
at the same time knows
it might be as well to
leave the question in
abeyance till we
make out our lists
under the new scale
of Normal Estab.
which has been suggested
for the S. of I.

You will see from the
annexed enclosures
that de Vincent in any
case is reduced to
Acad. Engraving
