To,

The Chief Engineer
P. W. D.

Sir,

Madras

The appointment of a store
keeper in the Cuddalore Division
on Rs 20 is authorised in G.O. No. 1204 W.
dated 25th May 1880 - A passed Candidate
has not been found to take the place,
but an invalid pensioner Mr. R. Laleypie,
who was employed in the P. W. D. as a
Clerk on Rs 40 before he was pensioned,
has been in charge of the stores at
Bellary since the 1st April 1880, on a
salary of Rs 10, under G.O. No. 345 W of the 14th
February 1880.

2. By Section 100 of the Civil Pension Code
the reemployment of invalid pensioners

128 is allowed; but Mr Labeyrie is not a passed Candidate, and the Examiners P.W. Accounts requires the sanction of the Government for his reemployment.

3. Mr Labeyrie has produced a medical certificate from the Civil Surgeon at Bellary, of physical fitness; and the Executive Engineer considers that he is suited for the appointment of permanent storekeeper, and has given satisfaction in the acting appointment for the past year.

4. Mr Labeyrie is 54 years of age, but has the appearance of being able to serve for a few years in our easy situation, and I have the honour to request that sanction may be given for his holding the appointment on Rs 20 from the 1st instant.

I have the honour to be
Sir

Your most obedt. servant
