Supt. of Works Office Poona  
Camp Kollinula 28<sup>th</sup> April 1871  
No. 231 Despt. ——— 2<sup>nd</sup> May 71

From  
The Superintendent of Works  
Poona District

To  
The Chief Engineer  
P. W. Department

Sir,

I have the honor to inform

Enclosure,  
1 bill for  
Compensation  
for Rs 75

you that a Dead House was built at  
Kasulipatan under sanction accorded  
in G. O. No 3220 of the 14<sup>th</sup> November 74  
from Provincial funds. No provision  
was made in the sanctioned estimate  
on account of Compensation for land  
on which the house was built. It is  
not traceable by whom the building  
in question was proposed and who  
selected the site.

2. The President of the Local  
Fund Board reports that it has never  
been used, nor is there any likelihood  
of its being used as a Dead House, as  
there is another one close at hand attached

to the Civil Dispensary. He also states  
that Inomedan Roman for the last 4  
or 5 years has been claiming Compem-  
sation for the site on which it was built,  
and the Local Fund Board under a  
mistaken idea agreed to pay Rs 75 to  
the woman in satisfaction of her claim.

3. On looking into the old records  
to reply to the Call made by the Board  
of Revenue to report the circumstances  
under which the Local Fund Board  
agreed to pay the amount of compensation  
in question, the collector found that the  
building was built from Provincial  
and not Local Funds and addressed  
me on the subject of the payment of  
Compensation.

4. I then requested him to forward  
a Bill in the prescribed form which I  
now submit herewith for your early  
sanction and appropriation of funds.  
No amount whatever has hitherto been  
paid on this account.

I have the honor to be  
Sir,  
your most obedient servant

For Superintendents of Works & Structures
