Civil Works.

Read the following paper :—

No. 46. Proceedings of the Madras Government in the Ecclesiastical Department,
dated 17th May 1881, No. 81.

Read the following letter from the Acting Archdeacon of Madras, dated 30th April
1881, No. 172.

I HAVE the honor to submit the following case for the orders of Government
with reference to the cemetery regulations now in operation.

2. In G.O., 16th August 1879, No. 191, the Government of India permitted
the erection of a railing (other than wooden) round a kutchra grave on condition that
the full fee be paid.

3. Applications are frequently made for the erection of a *stone coping* in lieu
of a railing; I see no objection to this extension of the permission, but I should be
thankful for instructions as to whether it may be allowed.

THE Government see no objection to a stone coping, which appears to be covered
by the rules.
