READ THE FOLLOWING PAPER :—

No. 211. Petition from V. SIVARAMAPAH, 6th Gumastah, Tahsildar's Office, Hospet Taluk, Bellary District, to the Chief Secretary to the Government of Madras, dated 14th February 1881.

ABSTRACT.—Praying that Government may permit him, as a special case, to appear for the Special Test without requiring him to pass the Middle School Examination in the First Class; or to allow him to pass only in those subjects in which he has failed to secure marks sufficient to pass the Middle School Examination in the First Class under the concession allowed in G.O., dated 23rd May 1876.

*Proceedings of the Madras Government, Public Works Department,
12th June 1876.*

Read the following Proceedings of the Madras Government in the Revenue Department, dated 23rd May 1876, No. 680:—

From K. V. ANANTA ROW and others, Government Servants of the Civil, Revenue, and Engineering Departments, in the Godavery District, dated 25th March 1876.

ABSTRACT.—Requesting a modification of the General Test Examination Rules, so as to enable them to go up for examination only in those subjects in which they failed at a previous examination.

Miscellaneous.

It is observed that by G.O., dated 23rd October 1866, No. 309, Educational Department, it was ordered that “on and after the 1st June 1867 none but passed candidates shall be admitted to any appointments on salaries of 20 Rupees and upwards.” It has been brought to the notice of Government that from the pressure of office-work many deserving public servants are unable to succeed in passing the General Test, so long as they are required to pass in all six subjects of the Test at once, and are consequently debarred from all chances of promotion. To obviate this hardship, the Governor in Council is pleased, in the case of those officials only who were in the service before the 1st June 1867, to declare that the following modification of General Rule IV. of the Regulations contained in the Notification, dated 26th April 1861, shall be in force, *viz.*, candidates will not, under any circumstances, be permitted to come up for examination in a part only of the subjects prescribed for a test except in the case of the General Test Examination. In that examination a candidate who shall have failed in not more than three out of the six subjects prescribed for that test, may appear again at the next following examination in the subject or subjects in which he has failed. Should he at this examination fail again in one subject only, he will be permitted to appear at the next examination for that subject. Should he then fail he will not be permitted to appear again except for examination in all the subjects at once.
