To

THE Deputy Chief Engineer, P.W.D.
Madras.

SIR,

Enclosures.

I have the honor to ask for permission to purchase two Giffardo Injectors for the boilers at the General Hospital. At present the boilers are entirely dependent on a donkey pump, and in the event of anything going wrong with this it is essential that other means should be available for keeping up the water supply.

2. The cost of the Injectors including fitting up will be about 300 Rupees.

I have the honor to be
