Sir,

With reference to circular No: 610 of 11/3/81, from the Chief Engineer, I have the honor to point out that in the statement submitted to you with this Office No. 557 of 24th Ultimo, I applied for 2 extra clerks, one on Rs: 20 and one on Rs: 15 for this Division, whereas in the above mentioned circular, only one on Rs: 20 is sanctioned.

2. The necessity for the 2nd clerk on Rs: 15 is very great, and I beg that you will be good enough to obtain sanction for his appointment.

3. I have carefully apportioned to each member of my present Office establishment as much work as he can get through, without falling into arrears, and have found, after doing so, that there is no
one

one available for the important duties of
posting Work abstracts or the Work Registers,
which latter especially will become very much
more voluminous under the new Rules. It is
for these duties that I want the new
clerk and without him, I cannot keep the
Office work of the Division upto date.

I have gea
