

PROCEEDINGS of the MADRAS GOVERNMENT.

READ the following letter from the

60- No-
1360

Surgeon 1st District, in charge of Lepers Hospital, to the Secretary Surgeon General with the Government of Madras, dated 12th May 1881, N.B.

I have the honor to report for the information of the Surgeon General that one of the four sheds put up for the accommodation of the Native Male Patients of the Lepers Hospital, by the Public Works Dept^y, has fallen down. The other three are in a shaky state, and are not likely to last long, as the posts by which they are supported, and some of the cross connecting beams are quite rotten. I have therefore stopped the repairs to them which ^{were} ~~were~~ sanctioned by the Surgeon General on the 20th Feb^y last, and request you will be so good as to ask the Surgeon General to apply for the sanction of Government to have all the sheds reconstructed as early as possible.
