GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

31st May 1881, No. 1,363 W.

General.
Establishment.

Read the following paper :—

No. 68. Endorsement of the Acting Under Secretary to Government, Financial Department, dated 20th May 1881, No. 888.

From C. T. KOUGH, Esq., Acting Collector of Madura, to the Chief Secretary to Government, dated Madura, 28th March 1881, No. 73.

In continuation of my letter marginally noted, I have the honor to forward No. 27, dated 8th February 1881. copies of further correspondence with the Accountant-General.

2. As the deduction of one-third monthly salary now directed to be made will press extremely hard upon Mr. Harington, I must beg respectfully to solicit the favor of early orders on my former reference.

3. I may mention that Mr. Harington has served me as President with a notice of his intention to sue the Local Fund Board for the amount of stoppages already made from his salary. When such suit is filed the question already mooted as to the nature of these salaries must come for decision, but I am at a loss to know what defence to make, believing as I do that there is none.

From H. J. STOKES, Esq., President of the Local Fund Boards, Madura, to the Accountant-General, Madras, dated Madura, 24th February 1881, No. 43.

With reference to the last paragraph of your letter, No. 22-J.A.D., dated the 29th ultimo, I have the honor to inform you that I don't understand how to make deductions from the pay of Mr. Harington, as the amount (Rs. 733-7-9) equal to 6 per cent. on the bonus (Rs. 11,400)

* The date of his employment under the Local Fund Board. for the past thirteen months (from the 5th* January 1880 to 31st January 1881) exceeds his pay for a month, which is only Rs. 500. I shall, therefore, feel obliged by your favoring me with instructions.

2. It will of course be impracticable to stop all Mr. Harington's pay, and, in my opinion, the order of the Government of India, directs the deduction at 6 per cent. per annum from his pay as he receives it month by month, and that the date from which deductions are to be made has been added in your office.

From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the President of the Local Fund Boards, Madura, dated Fort St. George, 21st March 1881, No. 100-J.A.D.

With reference to your letter, No. 43, dated the 24th February 1881, I have the honor to state that the accumulated interest on Mr. Harington's bonus, amounting, on 31st January last, to Rs. 733-10-3, and not Rs. 733-7-9 as stated in your letter, should be recovered from Mr. Harington by deducting monthly a sum not less than one-third of his salary as Engineer of the Local Fund Board.

2. Arrangements should also be made for recovering from Mr. Harington's pay the amount of interest on the bonus due for the period subsequent to 31st January 1881.

TRANSFERRED to the Public Works Department in continuation of endorsement, No. 289, dated 12th February 1881.

(Signed) G. S. FORBES,
Acting Under Secretary.

Sir,

With reference to last para of your letter No. 22nd J.F.D. dated the 29th ultimo I have the honor to inform you that I don't understand how to make deductions from the pay of Mr. Harrington as the amount (Rs 738-7-9) equal to 6 per cent on the bonus (Rs 11400) for the past 13 months (from the 5th January 1880 to 31st January 1881) exceeds his pay for a month which is only 500 Rs. I shall therefore feel obliged by your favouring me with instructions.

It will of course be impracticable to stop all Mr. Harrington's pay and in my opinion the order of the Government of India as directed the deduction at 6 per cent per annum from his pay as he receives it month by month, and that the date from which deductions are to be made has been added in your office.
