PROCEEDINGS OF THE BOARD OF REVENUE, dated 14th April 1881.

Read the following papers :—

Proceedings of the Madras Government, dated 22nd March 1881, No. 500, Financial Department.

ABSTRACT.—*Local Funds—Budgets.*—Orders passed on Proceedings, Board of Revenue, reviewing the Local Fund Budget of the Salem Circle for 1881-82.

From H. E. STOKES, Esq., Acting President, Local Fund Boards, Salem District, to C. A. GALTON, Esq., Secretary to the Board of Revenue, dated Salem, 18th March 1881, No. 18.

WITH reference to Board's Proceedings, No. 255, dated 14th February 1881, I have the honor to enclose a revised statement of Part II of the Budget for 1881-82. The allotment has been reduced inclusive of Rs. 2,000 for town and village roads to Rs. 81,850 for Repairs, Communications, by omitting the roads mentioned in the enclosed statement which are uuimportant and by reducing allotments on other roads where increase was proposed. The Board intended to provide Rs. 2,000 for village roads exclusive of the Rs. 81,850, and I now request that this sum of Rs. 2,000 may be added to the reserve in the printed budget.

2. With regard to the regular estimate for 1880-81, I find that the allotment for New Works and Repairs up to date is, according to registers maintained here, Rs. 1,08,456. Against this, the estimated expenditure to the end of March is Rs. 1,01,976 or in excess of the Board's estimate by Rs. 4,714 which, unless the collections exceed the estimate, must come out of the Road Fund balance. The Board's Proceedings reviewing the budget was received here only on the 28th February ; and as the expenditure for March will consist almost entirely in payment of bills for work done previously, it was impossible to take effectual measures to restrict expenditure as ordered by the Board.

3. The consideration of the Revised Part II for 1881-82 was set down for the meeting appointed for this day, but members sufficient to form a quorum having failed to attend, there was no meeting. The revision has, however, been made with the utmost care, and will, I have no doubt, be accepted. To prevent delay in the issue of the printed budget I now forward it.

ENCLOSURE No. 1.—Revised Statement of Part II of the Budget for 1881-82.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 14th April 1881.

Read the following papers:—

Proceedings of the Madras Government, dated 22nd March 1881, No. 500, Financial Department.

ABSTRACT.—*Local Funds—Budgets.*—Orders passed on Proceedings, Board of Revenue, reviewing the Local Fund Budget of the Salem Circle for 1881-82.

From H. E. STOKES, Esq., Acting President, Local Fund Boards, Salem District, to C. A. GALTON, Esq., Secretary to the Board of Revenue, dated Salem, 18th March 1881, No. 18.

WITH reference to Board's Proceedings, No. 255, dated 14th February 1881, I have the honor to enclose a revised statement of Part II of the Budget for 1881-82. The allotment has been reduced inclusive of Rs. 2,000 for town and village roads to Rs. 81,850 for Repairs, Communications, by omitting the roads mentioned in the enclosed statement which are unimportant and by reducing allotments on other roads where increase was proposed. The Board intended to provide Rs. 2,000 for village roads exclusive of the Rs. 81,850, and I now request that this sum of Rs. 2,000 may be added to the reserve in the printed budget.

2. With regard to the regular estimate for 1880-81, I find that the allotment for New Works and Repairs up to date is, according to registers maintained here, Rs. 1,08,456. Against this, the estimated expenditure to the end of March is Rs. 1,01,976 or in excess of the Board's estimate by Rs. 4,714 which, unless the collections exceed the estimate, must come out of the Road Fund balance. The Board's Proceedings reviewing the budget was received here only on the 28th February; and as the expenditure for March will consist almost entirely in payment of bills for work done previously, it was impossible to take effectual measures to restrict expenditure as ordered by the Board.

3. The consideration of the Revised Part II for 1881-82 was set down for the meeting appointed for this day, but members sufficient to form a quorum having failed to attend, there was no meeting. The revision has, however, been made with the utmost care, and will, I have no doubt, be accepted. To prevent delay in the issue of the printed budget I now forward it.
