GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

12th May 1881, No. 749.

READ THE FOLLOWING PAPER :—

No. 191. Proceedings of the Board of Revenue, dated 8th April 1881, No. 611.

Read the following letter from H. W. BLISS, Esq., Commissioner of Salt Revenue, to C. A. GALTON, Esq., Secretary to the Board of Revenue, dated Madras, March 28th, 1881, No. 2,772 :—

REFERRING to G.O., dated February 18th, 1881, No. 311, Revenue Department, I have the honor to ask whether, in the last sentence of the third paragraph thereof, the word "and" is not a misprint for "or." It is practically impossible to carry out the order as it stands now as it is not feasible at this distance of time to form any estimate of the original cost of bringing under cultivation the pans which have now been destroyed by the canal. I think it also unnecessary to grant a ryot the original cost of bringing his pans into working order, *as well as* the amount which he will have to incur in order to place himself in the same position as he occupied before his deprivation of his former holding, unless he refuses to take up the land now offered, in which case some compensation would be only fair.

2. The Assistant Commissioner, Nellore, has accordingly been directed to proceed to allot fresh pans to the ryots affected and to submit estimates of the amount which will be required in each case to get them into working order, if manufacture is resumed in the factories in question.

SUBMITTED for the orders of Government.
