No. 461.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 18th March 1881.

Read the following papers:—

Endorsement from the President of the Local Fund Boards, North Arcot District, dated 27th November 1880, No. 463, on a letter from the Vice-President forwarding Local Fund Budget of the Vellore Circle for 1881-82.

From H. B. GRIGG, Esq., Director of Public Instruction, to C. A. GALTON, Esq., Secretary to the Board of Revenue, dated Madras, 11th December 1880, No. 5,757.

ADVERTING to the Budget Estimate for the year 1881-82 of the Vellore Circle I have the honor to state that the provision made therein for Education seems to be sufficient, with the exception of the allotment for Results Grants, which, I think, should be raised from Rs. 2,000 to Rs. 3,000, the current year's sanctioned amount, as, in consequence of the changes introduced into the Results Rules, the number of schools preparing for results grants is very considerably in excess of the number examined in the current year.

From Surgeon A. J. STURMER, Secretary to the Surgeon-General with the Government of Madras, to C. A. GALTON, Esq., Secretary to the Board of Revenue, dated Fort St. George, 2nd December 1880, No. 6,609.

I HAVE the honor, by desire of the Surgeon-General, to report to your Board that the allotment made in Grant III of the 1881-82 Local Fund Budget Estimate of the Vellore Circle for the maintenance of the two dispensaries at Arni and Pólúr is adequate.

2. This department will not probably be in a position to depute a medical subordinate to the new dispensary proposed to be opened at Pólúr until July 1881.

3. A sum of Rs. 1,040 is entered as the contribution towards the expenses of the Medical College.

From Surgeon-Major M. C. FURNELL, M.D., F.R.C.S., Sanitary Commissioner for Madras, to C. A. GALTON, Esq., Secretary to the Board of Revenue, dated Madras, 2nd December 1880, No. 1,301.

I HAVE the honor to report, for the information of the Board of Revenue, that a provision of Rs. 5,860 has been made by the Vellore Local Fund Board for Sanitary purposes for the year 1881-82. This gives a percentage of 19.2 on available income. From want of funds no provision has been made for improvement of Water-supply and Village-sites. The allotment appears to be adequate for the purposes for which it is intended.

2. Under Grant I (a) and (b), I observe Rs. 9,630 and Rs. 8,500 are entered against "Civil Buildings" and "Miscellaneous Public Improvements," respectively, for which no details are given. Some of the works under these headings may be of a sanitary nature, but I am unable to determine this in the absence of details.
