P. L. D.

It is explained with
reference to the remark
of the Honorable the Governor
in this draft that the
Secretary was desirous
of proposing the exten-
sion of subsidiary leave
so as to prevent curtail-
ment of furlough - but
on looking over the Code
Rules on the subject
the proposal seemed
inadmissible.

2. Section 64 of the
Civil Leave Code reads
as follows:-

"The minimum subsidiary
leave is ten days - other-
wise subsidiary leave
is calculated as joining

Time is calculated. Section
157. Rule 2."

3. Under the section
last quoted Mr. Grimes
would, in addition to
6 days for preparation,
be entitled to one day
only for each 300 miles
of Railway - or to 8 days
in all.

4. As this is less than
the minimum (10 days)
allowed under Section
64 - he obtained the
10 days.

5. The proviso to Sec.
- tion 66 quoted below
is intended to meet
cases of the kind - and
the G. O. is based on
this

this rule.

Proviso - "If an officer
going on Furlough or
Special leave out of
India, is prevented by
sickness or other urgent
and adequate reason
not within his own
control, such, for example,
as the postponement
of the departure of the
vessel in which his
passage is engaged, from
embarking within his
subsidiary leave, the
Local Government may
order that his furlough
or special leave shall
begin in India at the
end of his subsidiary
