2. The large increase of Rs. 73,650 in the opening balance of the Regular Estimate over that of the Budget for 1880-81 is ascribed to reduced expenditure, particularly on Public Works, during 1879-80. The difference between the Accountant-General's and the President's accounts is traced to delay in adjustment by the Account Department. The accounts of 1879-80 do not appear to have been closed till nearly twelve months after its expiry, which is very unsatisfactory. The Accountant-General should have furnished the particulars of the balance under each Fund as pointed out in the review of the Chatrapur Circle Budget. The increase of Rs. 3,690 in the item "Miscellaneous," said to be due to recoveries of past expenditure shown as refunds, should have been explained more particularly. A separate account should be furnished for the Railway Guarantee Fund. The other variations have been remarked on by the Board of Revenue.

3. The estimated receipts for 1881-82 include a contribution of Rs. 4,050 from the Canal and Ferry Fund for improving the approaches to some of the ferries in the circle. The Land Cess estimate for last year, Rs. 1,29,000, is repeated, and the sum of Rs. 48,000, the proceeds of the additional three pies cess imposed by G.O., dated 17th June 1880, No. 1201, is set apart to form a fund for the construction of local lines of Railway. No receipts are expected from school fees, the Circle Board having resolved to convert the existing combined system schools into results grants schools.

4. The allotment for Public Works appears to have been well considered. The majority of the new road works are unsanctioned; estimates are promised, but until these are passed under no circumstances should expenditure be incurred. The provision for the Engineering Establishment includes Rs. 800, being charges of supervision by the Department of Public Works of roads along river embankments under their control. In calculating the Road Fund reserve the estimated receipts from the additional Land Cess reserved for construction of Railways is correctly left out of accounts. The Government await the report called for from the Circle Board regarding the failure of the combined system schools and the inadequate provision for elementary education commented on by the Director of Public Instruction. The

usual contribution of one-fourth of the salaries of the medical subordinates attached to the Dispensaries marginally noted is sanctioned from Provincial Funds.

Nídámangalam, Tiruvádi, and Tiruvadamarudúr.

5. Deducting the sum of Rs. 43,000 reserved for the Railway Guarantee Fund, the unallotted Road Fund balance is only Rs. 1,340, which appears inadequate for so important a circle; it should be increased by reduction of the allotment for New Works where possible.

6. With these remarks, the Right Honorable the Governor in Council passes the Local Fund Budget of the Tanjore Circle for 1881-82.

READ THE FOLLOWING PAPER :—

No. 344. Proceedings of the Board of Revenue, dated 28th April 1881, No. 737.

Read the following letter from J. GROSE, Esq., Collector of Nellore, to E. GIBSON, Esq., Acting Secretary to the Board of Revenue, dated 23rd April 1881, No. 1,294 :—

WITH reference to the Board's Proceedings, No. 1,267, dated 3rd September 1880, extra Gumastahs were entertained in the marginally-noted taluks for a period of six months to prepare the Irrigation Registers in the new forms prescribed by Government.

Nellore.	Atmakúr.
Gúdúr.	Kandukúr.
Kávali.	Ongole.

2. The services of the Gumastahs have been dispensed with, the term allowed having expired. The Registers are not yet ready, the work having been delayed in consequence of difficulty in securing the attendance of the Curnams who were for the greater portion of the six months obliged to remain in their villages in connection with the preliminary and final enumeration of the census.

3. I have the honor, therefore, to request early sanction for the entertainment of the Gumastahs for another period of six months as is done in the case of the establishments allowed to other districts (*vide* G.O., No. 1,039, dated 27th August 1880, communicated with Board's Miscellaneous Proceedings, No. 10,320, dated 22nd September 1880).

SUBMITTED for the sanction of Government.
