Local Funds—Establishment.—Communicating
letter from Accountant-General stating that, under
letter from Government of India, dated 21st
June 1880, No. 1281-G, a retired Public Works
Officer taking service under a Local Fund Board
cannot claim pension for such service unless he
enters the service of the Board under a special
stipulation to that effect, &c., and that, therefore,
the Kistna Local Fund Board is under no obliga-

Local Funds—Establishment.

Read again—

Proceedings of the Board of Revenue, dated 28th January 1881, No. 139.

Read the following letter from J. KELSALL, Esq., President of the Local Fund Boards, Kistna District, to the Secretary to the Board of Revenue, dated Masulipatam, 8th January 1881, No. 673:—

I have the honor to forward, for the orders of the Board, a letter from Mr. Brickwell, Local Fund Engineer, Masulipatam, and the Resolution of that Board thereon.

2. Mr. Brickwell is an officer of the Public Works Department who has retired under Government of India Resolution, No. 2079, of 31st July 1879, after about twelve years' service.

3. With reference to G.O., No. 5062, of 10th August 1880, Mr. Brickwell states that it is not likely he will serve long enough to earn a pension from this Board. The points I submit for the Board's orders are—

1. Whether, when an officer declares he will give up all claims to a future pension, the Board are obliged to pay the contribution required by the Civil Pension Code.
2. Whether, assuming that the contribution must be paid, it should be deducted from the officer's salary, or be paid by the Board in addition to his fixed salary.

ENCLOSURE No. 1.—Letter from Local Fund Engineer.

ENCLOSURE No. 2.—Proceedings of Local Fund Board.

Submitted for the orders of Government.

2. The rule as laid down in paragraph 4 of the letter from the Secretary to the Government of India, Public Works Department, contains no answer to the President's first question. As regards the second question put, the letter seems to contemplate the payment of the pensionary contribution by the Local Fund Board, but Section 46 (a), Civil Pension Code, lays down that the contribution is payable from the salary of the officer concerned. Considering the facts of the case of Mr. Brickwell it would appear to be equitable that the contribution should be made by the Local Fund Board in the shape of an addition to his salary.

ORDER.—Before passing orders the Government will be glad to have the Accountant-General's opinion as to the exact interpretation of paragraph 4 of letter from Government of India, dated 21st June 1880, No. 1281-G, recorded in G.O., dated 10th August 1880, No. 5062, Military.

2. The meaning of either alternative there given is somewhat doubtful, and without specifying the different constructions which, it appears to the Government, might be put upon them, the Government leave it to the Accountant-General to explain them in his own terms.

From H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 17th May 1881, No. 1794 [Current No. 1203].

With reference to Proceedings of Government, No. 577, dated the 1st April, I have the honor to state that as I read paragraph 4 of letter from the Government of India, dated 21st June 1880, No. 1281-G, an officer of the Public Works Department, retired under Resolution, No. 2079, dated 31st July 1879, who takes service under a Local Fund Board, comes under the rules which apply to Local Fund Officers generally, and cannot claim pension for Local Fund service unless he enters the service of the Board under a special stipulation to that effect, or unless such service is declared pensionable by the Local Government. As far as the Government of India are concerned the Boards are at liberty to give or to refuse pensions as they please, but if the officer in question desires to go on serving for a new pension he may make, with the consent of the Board, the arrangement stated in the latter portion of paragraph 4, that is to say, he may contract with the Board that out of his salary a contribution on account of pension shall be paid to Government who will then be liable for his new pension on retirement on condition of his surrendering claims to the one to which he is already entitled.

2. As regards the case on which the reference is based, it is clear to me that the Local Fund Board, Kistna, is, in the absence of any express stipulation to that effect made with Mr. Brickwell, under no obligation to pay any contribution for pension on his account, and it is equally clear from Mr. Brickwell's statement with regard to his age that he is under no inducement to surrender his pension already sanctioned and to serve on for a new one.

3. I regret the delay in replying to the reference.
