Civil Works.

Read the following paper:—

No. 33. From D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 6th June 1881, No. 58 W.

I HAVE the honor to forward herewith an extract from the audit note on the Harbour Works accounts for March 1881 and shall feel obliged by your furnishing me with early orders thereon.

2. The rates for the conveyance of the stone should cover the risk of damage and ordinary wear and tear.

EXTRACT from the Audit Note on the Accounts of the Madras Harbour Works for the Month of March 1881.

Item Number in the Audit Note.	Items remarked upon.	Remarks by the Examiner.	Reply or explanation by the Executive Engineer.
6	Voucher No. 14 for Rs. 1,340-10-9, being amount paid to South Indian Railway for repairs to trucks damaged through the loading of stone conveyed from Pallavaram.	Inquires on what authority this payment was made, as the trucks are apparently the property of the South Indian Railway Company. Copy of the authority is requested.	There is no special authority for paying for damaged wagons any more than there is for the use of the wagons. The Superintendent is not inclined to trouble Government by asking for "authority" to pay for damage which is incurred in loading stone.

MADRAS,
6th June 1881.

(Signed) D. C. GORDON,
Examiner of Public Works Accounts.

No. 34. ORDER THEREON, 15th June 1881, No. 1,499 W.

THE payment was irregular and should be disallowed. The Superintendent, Madras Harbour Works, will deduct the amount from the next bill presented by the South Indian Railway.

2. It is not understood on what grounds the payment was made by the Superintendent, seeing that a similar claim preferred by the Madras Railway Company had been contested and the matter referred for the orders of Government.
